ARRIVAL HOME

17th MILES DRIVE

- The shores of Monterey is absolutely breathtaking, with many scenic points along the way like Seal Rock and the Lone Cypress.

SAN FRANCISCO

- **The Palace of Fine Arts** in the Marina District of San Francisco, California, is a monumental structure originally constructed for the 1915 Panama-Pacific Exposition in order to exhibit works of art presented there.
- **The Golden Gate Bridge** is a suspension bridge spanning the Golden Gate strait, the 1 mile wide, 3 mile long channel between San Francisco Bay and the Pacific Ocean.
- **Fisherman's Wharf**-San Francisco's most popular destination. Known for its historic waterfront, delicious seafood, spectacular sights and unique shopping. While strolling at Fisherman's Wharf, you will have a chance to see the boisterous and noisy sea lions. They spend as many as 10 months of the year (September through June) sunning themselves on the docks or playing in the waters at Pier 39.
- **Lombard Street** in San Francisco is one of America's crookedest streets. The steep, hilly street was created with sharp curves to switchback down the one-way hill past beautiful Victorian mansions.

FRESNO

- **The Mojave Desert** is a rain shadow, mostly high desert area, that occupies a significant portion of southeastern California and smaller parts of central California, southern Nevada, southwestern Utah and northwestern Arizona in the United States.
- **BARSTOW** is a city in San Bernardino County, California, United States. The population was 22,639 at the 2010 census. Barstow is located 55 miles north of San Bernardino. Barstow is a major transportation center for the Inland Empire.

LAS VEGAS

- **The Grand Canyon** is a steep-sided canyon carved by the Colorado River in the state of Arizona in the United States. Grand Canyon was declares World Heritage Site since 1979. The Grand Canyon is 446 km long, up to 29 km wide and attains a depth of over a mile (6,093 feet or 1,857 meters). Nearly two billion years of Earth's geological history have been exposed as the Colorado River and its tributaries cut their channels through layer after layer of rock while the Colorado Plateau was uplifted.

Remarks:*The group will take the designated park shuttle to enter the canyon. Upon arriving the terminal, you may take the **Optional: helicopter ride and sightseeing boat tour**, in order to feel the canyon and Colorado River from different perspective and explore the true beauty of the Grand Canyon. Afterwards, you may take the park shuttle to the next sightseeing spots, Eagle Point and Guano Point. At Eagle Point, you may take the **Optional: visit to the Skywalk**, which is the new G gigantic construction built on the very edge of the Grand Canyon West Rim.

- **Tanger Factory Outlet Centers, Inc.** is a real estate company that owns the chain Tanger Outlets, an outlet mall company headquartered in Greensboro, North Carolina.
